MOTION FOR EXTENSION OF TIME

Water Service Corporation of Kentucky (WSCK), by counsel, moves for additional time to file its responses to the telephone conference of February 17, 2005. Due to the illness of the Director of Utility Accounting, the responses cannot be completed by the originally requested extended date of March 10th. Consequently, the Applicant requests that it be allowed up to and including March 17th to file the responses. If the responses can be filed sooner, they will be. Because the procedural schedule has been suspended, this extension will not adversely affect any party or unduly delay the proceeding.

For these reasons, WSCK requests an extension until Friday March 17 to file its responses.
